RESPONSE TO OFFICE ACTION

Box Fee Amendments Assistant Commission for Patents Washington, D.C. 20231

Sir:

17/1

The following is an amendment and response to the Official Action mailed on September 26, 2001. Please reconsider the above-identified application with additional claims as follows:

IN THE CLAIMS

Please cancel claim 4 without prejudice.

Please amend claim 1 as follows:

1. A method for treating stroke patients, comprising the acts of:

identifying a stroke patient for treatment;

advancing a heat exchange catheter into said patient wherein said heat exchange catheter is advanced into a central venous vein of said patient; and

inducing hypothermia using said heat exchange catheter.

Please add the following new claims:

45. (New) The method of claim 1 wherein the heat exchange catheter comprises at least one substantially elongate structure configured for establishing central venous access, said structure having a proximal portion and a distal portion and defining a plurality
